Aloha, I am writing in strong support of HB 257, which would allow for lands for Ohana Zones. Currently, Ohana Zones must be located on state or county land, which prevents us from finding efficient solutions for homelessness, especially in rural areas. This bill would mean that private landowners who want to help end homelessness could participate and do so. For example, Sacred Heart Shelter (the Puna micro-homes for lava evacuees) located on privately held land, could be turned into an Ohana Zone, and provide badly needed homelessness resources for the Puna community. Therefore, I strongly support HB 257.

Mahalo for your consideration.
